HEPCO & BECKER

CLASSIC

100% MADE IN GERMANY

The CLASSIC tool case traditionally made in our factory combines all the good features of a tool case for professional use. Next a deep-drawn, high-impact ABS-Pro shell, the case is also made of an extremely stable, especially hardened aluminum frame. Especially for daily continuous use, the CLASSIC tool case is the perfect companion for electricians, plumbers or their apprentices. Perfect as universal tool case with various tool boards and inserts, or as empty cases for transporting devices.

High-quality components

- High-quality die-cast metal locks, lockable
- Extremely stable, specially hardened aluminium frame
- Three riveted metal-hinges

Solid workmanship

- Handle and locks fixed with screws
- Extra-large plastic-protection for the frame
- Plastic feet
- Extra-strong lid-holders
- Frame and case shell multiple mechanical riveted

Airworthy and shatterproof

- Extremely strong ABS-PRO-shell
- Airworthy
- Extra-large plastic-protection
- 4 metal spacers on underside for protection the case tray against scratching
- Durability-tested with 35 kg
