

ROBUST

ROBUST

100% MADE IN GERMANY

37 l. Volume, high quality components, trolley function, aluminum corners. These are just some of the convincing features of the ROBUST tool case from HEPCO & BECKER. This series is for professional use. It impresses with its features, robustness and handling. Not only does the wrench find room in it, but there is also plenty of room in the bottom tray for drills or larger equipment. By lockable trolley function, the case can be moved from the assembly point to the assembly point at any time. A zinc die-cast lock, optionally with TSA lock cylinder protects the content for thieves.

The German top product.

Polytex bag 5851
as an ideal
complement

Top class tool storage

Features Comfort

- Ergonomic handle
- Three riveted metal-hinges
- Ball-bearing-wheels in-walled
- additional combination lock
- lockable, extra-long trolley system

Extreme load capacity

- Handle and locks fixed with screws
