HEPCO & BECKER

SOLID

Whether as empty cases with foam insert for transporting sensitive measuring devices, or as a tool case for safe storage of your tool repertoire. The SOLID case series delivers what it promises. A cheap, waterproof and shatterproof suitcase with an appealing design. Super suitable for outdoor use. Should it be a bit more robust, the polypropylene suitcase absorbs shocks - even a fall in baggage handling at the airport, for our SOLID suitcase is it no problem!

Version with tool plates

- Stable, robust surface
- Device for padlocks
- Stackable, also for transport models
- Version as transport case for drones, measuring instruments, sporting arms

Extremely rugged

- Absolutely watertight, dust proof and airtight (IP-67) incl. pressure compensation valve
- Ergonomic handle
- Partially with labeling field
- Temperature resistant from -33 to +90 C
- Polypropylene material
- Airworthy and shatterproof

Cube foam filling

- Models with cube-foam in the bottom tray
- Individual adaptation to measuring instruments / tools

SOLID 5625

SOLID 5625

Bottom area:
totally filled with cube-foam for
individual adaptation

SOLID 5625 Item-no. 00 5625 8019

5621

Document plate with 13 Push-in compartments for tools
Compartment for catalogues and 6 Elastic bands

5622
